

Program of Modena, 16th April

Here is what we have organized so far for your arrival in Modena.

Around 3 pm two police men on motorbikes, together with a group of 20 local runners, will be waiting for you at the very beginning of the territory of Modena and will run with you toward the city centre.

You'll be arriving from Verona, so from Via Canaletto and you'll arrive in the city for Viale La Marmora, V.le Cialdini, then you'll turn left in V.le Storchi running in a cycleway, then Largo Aldo Moro (and from here start the pedestrian area of the centre), Largo Sant'Agostino, Via Emilia, left in via Farini (at the end you pass in front of ducal Palace now Military Academy), Piazza Roma, turn right in Corso Accademia, turn left in Canal Grande, turn right in Via Emilia and finish in Piazza Grande.

In any case the police will escort you all through the city.

We will try to make you park the BiblioBus in Largo Sant'Agostino, which is on the main entering area for the city centre, while you'll park the other cars in Parco Novi Sad.

In Piazza Grande you'll be welcomed by our Mayor or by the Sport Counselor.

It's also planned to have a stand for the Transromanica Association in Piazza Grande.

We will inform the local papers and TV of the event.
